CHAPTER SIX: VENGANCE

Five hours until dawn

View of the deer herd, and Matt standing on guard with Emily.

Emily: Matt...! What are you gonna do? What are you gonna do...!?

Matt; Clifftop; 02:03

Decision 1: Calm: Stay calm / Rebuke: Get a hold of yourself!

If the player chooses to be Calm: Stay calm, Emily

Matt: Stay calm... relax... they're just deer... they just want to check us out is all...

Emily: No no no Matt, they're gonna hurt us-

Matt: Shhh...

If the player chooses to Rebuke: Get a hold of yourself!

Matt: Em, will you PLEASE just get a hold of yourself?! Just... let me think... okay?

Emily: H-oh... kay... Shutting up...!

Matt and Emily start walking toward the herd with the herd retreating. At one point an elk will block the path for Matt.

(If the player has disturbed nature (by killing the squirrel and the bird) before, the path will be blocked by two elk. One will be aggressive, the other one will be calm (if the player doesn't do anything to the first elk). If the player did not disturb nature, only the

calm elk will block Matt's path. **Note:** the aggressive elk will be in front of the herd, while the calm elk will be at the very back of the herd.)

If the path is blocked by an aggressive elk:

Emily: Oh, my God, Matt, they're so close!

Matt: Don't worry.

At this point the elk will show its aggressiveness.

Matt: Shit! Whoa there!

Emily: Oh, my God!

The player then has an option to attack with the axe.

If the player attacks the aggressive elk:

Matt swings the axe and hits the elk right on the neck.

Matt: Damn it!

The elk moves a little and then succumbs to its injuries.

If the player did not attack the aggressive elk or the aggressive elk is not encountered at all:

Matt walks up to the elk with the axe in his hand. The elk sniffs him, and then starts looking at Matt. The player then has the option to attack with the axe.

If the player attacks the calm elk:

Matt swings the axe and hits the elk right on the neck.

Emily: Matt, please, you're killing them!

Matt: Come on, you pieces of shit!

Emily: Matt!

(The paths meet here. This is what happens if Matt decides to attack any of the elk:)

Matt: You! Get back!

The herd of deer manages to knock Matt off the cliff. He drops his axe, but manages to grab a rock on the cliff side. The player needs to press the triangle button, so that Matt can grab the cliff side with his other hand. He is then presented with a choice of either grabbing the ledge, or climbing around.

Matt: Jesus!

If the player chooses to Grab Ledge:

He'll need to press the [Triangle], the [Square], and once again the [Triangle]).

If the player chooses to Climb Around:

He'll need to press the [Circle].

(If the player chose to Grab Ledge [or chose to Shimmy Left, after choosing to Climb Around], he will be presented with another set of choices: Climbing to the top, or shimmying right).

If the player chooses to Climb To Top:

He'll need to press the [Square], the [Triangle], the [Circle], and the [Triangle] once again).

If the player chooses to Shimmy Right:

He'll need to press the [Circle]. (>)

(If the player chose to Climb Around [or chose to Shimmy Right, after choosing to Grab Ledge], he will be presented with another set of choices: Leaping, or shimmying left).

If the player chooses to Leap:

He'll need to press the [Square], and then the [Triangle].

If the player chooses to Shimmy Left:

He'll need to press the [Square]. (>>)

If the player manages to execute every QTE before that, Matt will be almost at the safety.

Emily: Grab my arm!

Matt: Thank God!

(The player then has to press the [Triangle], and after that Matt will be safe).

Emily: Got you!

Matt: Oof... That was too close...

At this point, Matt is now at the top of the cliff. There are no deer to be seen.

Emily: No "thank you"?

Matt: Damn right, I'm gonna thank you! Shit, I'm gonna thank you so hard.

Emily: Alright, save it, cowboy. We gotta get going before those mangy fuckers try to find us.

Matt looks around, and then follows Emily. He jumps over a bundle of rocks, with Emily doing the same after him.

If Matt fails any of the QTEs, or fails to make a decision:

Matt loses his grip, and goes tumbling down.

Matt: (screaming) No!

He lands on a rock. Head-first. His eyes roll into the back of his head, as the life leaves his body.

If Matt dies before having the option to grab Emily's arm:

Emily: Matt!

Emily runs to the cliff edge.

Emily: (sobbing) No! Oh, no!

Emily gasps as Matt is dragged off by something.

Emily: Oh, my God!

Emily gets up. There are no deer to be seen.

Emily: What do I do? What do I do now?

If Matt dies before having the option to grab Emily's arm:

Emily is weeping and then gasps as Matt is dragged off by something.

Emily: Oh, my God!

Emily gets up. There are no deer to be seen.

Emily: What do I do? What do I do now?

Emily looks around and leaves by jumping over a bundle of rocks.

If Matt decides to ignore both the aggressive and the calm elk (or just the calm elk if there was only one elk):

Matt: Just walk slow. It's okay. Come on... it's okay.

Matt walks through the rest of the herd, with Emily following him. He then jumps over a bundle of rocks, with Emily doing the same after him.

Emily; Clifftop; 02:21

If Matt survived the deer encounter:

Matt helps Emily down a rocky ledge.

Emily: If we do manage to get someone on the radio-

Matt: We will.

Emily: Then we tell them we need help. What do we do while we wait?

Matt: We go back to the lodge and get everyone else.

Emily: Oh god, not the lodge. We should stay here. In case whoever it is needs to get back in touch with us?

Matt: Let's get that radio working first.

Matt and Emily approach a light pole which turns on suddenly.

Emily: Ahh! That's freakin' bright!

Matt: No kidding!

Emily: I can't see- what is that?

Matt: It's just a security light. Motion sensor probably.

Only in the remake:

Emily can find a deer whistle and blow it.

Emily: Super weird.

Matt and Emily make their way up the fire tower. Emily climbs up the ladder.

If Matt did not attack any deer:

Matt drops the axe before climbing up the ladder.

Emily and Matt climb up the second ladder.

Emily: Ugh, why is it so windy all of a sudden?

Matt: We're almost inside.

Emily and Matt climb up the third ladder to the radio station. Emily pushes up the hatch and the pair climb inside. Matt locks the hatch below them.

Matt: You alright?

Emily: Yeah...

If Emily interacts with the radio before turning the power on:

Emily: Ah come ON! Great. No power. Gotta be a switch or something round here...

If Emily interacts with the printer before turning to power on:

Emily: Yeah. So. No power.

Emily can find Hannah's Poster in a locker.

Emily: Sorry Hannah... you're still missing.

Matt: After tonight their disappearance is starting to make more sense.

Emily can find a flare gun.

Emily: Here we go.

If Emily chooses to Keep: Flare Gun

Emily turns to the side and is now presented with two choices: Shoot or Stow.

If Emily chooses to Shoot

Emily shoots the flare in the air.

Emily: That ought a to get someone's attention. Hopefully someone who's not a psychopath.

If Emily chooses to Stow

Emily puts the flare gun into her pocket.

If Emily chooses to Give: Flare Gun to Matt

If Matt agreed with Emily to go to the fire tower:

Matt: Let's go...

Emily gives the flare gun to Matt and he shoots it in the air.

Matt: Oh... shhhh

Emily: That oughta get someone's attention. Hopefully someone who's not a psychopath.

Matt: Yeah.

If Matt disagreed with Emily to go to the fire tower:

Emily: You take this. Might need it.

Matt: Aye-aye captain.

Emily gives the flare gun to Matt and he puts it in his pocket.

Emily finds a Fuse Box. She pulls the switch.

Emily: Fuck yeah! Here we go.

Matt: Nice work.

Emily: Okay. Score one for Matt and Emily.

Emily can click on the printer and finds Beth's Poster printing.

Emily: Oh! It's alive.

If Emily found the poster after finding Hannah's Poster:

Emily: Sorry you're still missing too, Beth.

If Emily had found the poster before finding Hannah's Poster:

Emily: Oh... Beth.

If Emily only finds Hannah's Poster after she found Beth's Poster:

Emily: Oh... Hannah.

Emily fine tunes the radio.

Ranger: ranger service for Blackwood County. Over.

Emily: Hello?? Anyone there? Hello! Please say something if you're out there, please we need help!! Over! Over!!! Shit.

Ranger: ...Hello?

Emily: Oh my god! Thank god! We need help, please!

Ranger: ...Hello is someone trying to contact us? This is the park ranger service for Blackwood County. I'm not getting your signal very well. Please speak slowly and clearly, over.

Emily: (Quickly and indistinctly) Please! Please please please help! Oh my god we're stuck on Blackwood Mountain and there's a maniac-

Ranger: ... If you can hear this, please repeat your message as I am unable to understand what you are saying, over.

Emily: We need help, please!

Ranger: Hello? Can you please identify yourself? Over.

If the player chooses to Persist: Help us!

Emily: Help, oh my god please help, we're stuck on Blackwood Mountain by the ski lodge and there's a killer and he's killed one of our friends. Oh, God, please, come get us, please...

If the player chooses to Comply: My name is Emily...

Emily: Oh, my God, okay, this is... My name is Emily... Hello?

Ranger: You're not coming through clearly, please repeat, over.

If the player chooses to Persist: We're gonna die!

Emily: Oh, my God, we're gonna die up here, there's a maniac, don't you understand?!

If the player chooses to Inform: We're up on the mountain.

Emily: We're on... Blackwood Mountain... by the ski lodge... there's a killer and he's after us and he's already killed one of our friends. Oh, God, please help, you've got to help us!!

An unknown figure skims the camera and turns on the security light.

Matt: Something tripped the motion sensor. Probably a fucking deer.

Ranger: I read you, ma'am. Please do not leave your position. We will send out helicopters to get you as soon as the storm has subsided, over.

Emily: What? When? How long?

Ranger: Dawn, at the earliest. Not until dawn, over.

The hatch bangs loudly.

Matt: Jesus!

Emily: Oh, my God, he's here! He's coming for me!

The banging stops. One of the support cables of the fire tower is cut by an unknown figure.

Emily: Oh, my God, Matt, what is happening?!

Matt: The tower!

Emily: Oh, God!

The tower begins to fall down. It catches on fire.

Matt: Shit... Don't move... What the fuck?!

The tower falls on its side. Emily falls and lands on the window. Matt hangs on to a support beam.

Emily: No!

Matt: No! Emily! Emily!

Ranger: I'm not getting your signal very well.

If the player failed to hit [Triangle]:

The radio falls and smashes Emily into the window.

If the player hit [Triangle]:

Emily rolls away as the radio smashes the window, but she rolls back.

Emily screams as she falls through. She hangs on the side bars.

Ranger: Please speak loudly and clearly... over.

Emily: Fuck me.

Ranger: Hello? Repeat yourself, over.

Emily: Jesus shit!

Ranger: ...On your side, over.

The printer falls, along with the radio.

Emily: Shit! Ahh! No, don't! No!

Matt: Oh, shit!

Matt screams as the tower tumbles into the mines.

If Matt did not survive the deer encounter:

Emily jumps off a branch, and cries after witnessing Matt die.

Emily: Goddamn!

Emily heads to the fire tower.

Emily: Come on...

Emily: Matt...?

A security light suddenly turns on, causing Emily to shield her eyes.

Emily: What... the hell!

(Only in the remake:)

Emily can find a deer whistle and blow it.

Emily: Super weird.

Emily climbs the stairs and the ladders up to the radio station of the tower. She pushes the door over her open and climbs inside. She dusts herself off.

Emily: Yeah! Oh... oh my god...

Emily closes the door and locks it.

Emily: Alright, Em... Alright, let's go... Oh, boy.

If Emily interacts with the radio before turning the power on:

Emily: Ah, come ON! Great. No power. Gotta be a switch or something round here...

If Emily interacts with the printer before turning to power on:

Emily: Yeah. So. No power.

Emily can find Hannah's Poster in a locker.

Emily: Sorry Hannah... you're still missing.

Emily can find a flare gun when going outside.

Emily: Here we go.

If Emily chooses to Shoot:

Emily shoots the flare in the air.

Emily: That ought a to get someone's attention. Hopefully someone who's not a psychopath.

If Emily chooses to Stow:

Emily puts the flare gun into her pocket.

Emily finds a fuse box and pulls the switch.

Emily: Alright, well, that's something.

Emily can click on the printer and finds Beth's Poster printing.

Emily: Oh! It's alive.

If Emily found the poster after finding Hannah's Poster:

Emily: Sorry you're still missing too, Beth.

If Emily had found the poster before finding Hannah's Poster:

Emily: Jesus shit!

Ranger: ...On your side, over.

The printer falls, along with the radio.

Emily: Shit! Ahh! No, don't! No!

The tower tumbles into the mines.

If Matt is still alive:

Matt; Mines; 02:43

Matt: Oh fuck!

Matt climbs his way out the tower. The tower shakes a bit.

Matt: Oh fuck! Dammit! Dammit!

Emily: MAAATTT!!! OH GOD MATT HELP ME PLEAAAAASE!

Matt: I'm comin'! I'm comin'! Em, this is pretty unsteady over here...

Emily: Matt you've got to do something right NOW what are you WAITING FOR!?!?

Matt: I'm thinking! Let me think!

Emily: Don't think, you idiot, just get me outta here!

If Matt saw Emily and Mike through the telescope:

If the player chooses to be Suspicious: I saw you with Mike!

Matt: Is that why you still like Mike? He's a thinker.

Emily: Matt! I don't-!

If the player chooses to be Persistent: What's going on?

Matt: I saw you with him!

Emily: Christ, Matt, we were just talking! Oh my god this is not the time!

If the player chooses to be Insistent: Tell me what's going on!

Matt: Just tell me what's going on.

Emily: Nothing, Matt! God!

Matt: Just admit it!

Emily: I was confused.

Matt: So you fucked him...

Emily: Please... Matt, I'm sorry...

If the player chooses to be Demanding: You and Mike are done.

Matt: You and Mike are DONE! You get it?!

Emily: Yeah! Yeah, I get it.

If the player chooses to be Concerned: Don't Move:

Matt: I'm gonna try to get to you and pull you up.

If Matt did not see Emily and Mike through the telescope:

If the player chooses to be Insulting: What's your problem?

Matt: What the fuck is your problem?

Emily: I- what?

Matt: Why are you being such a bitch to me?

Emily: I'm sorry, I didn't mean it, really...

If the player chooses to be Insistent: I deserve better!

Matt: From now on, you either treat me like a person or I'm out. Get it?

Emily: Yeah!

Matt: Say it.

Emily: What?

Matt: Say you'll treat me like a goddamned human being.

Emily: I- I'll treat you like a person. Like a goddamned human being, okay? You're a person! You're a person!!

Matt: Thank you.

If the player chooses to be Concerned: Don't move.

Matt: I'm gonna try and get to you and pull you up.

Choice occurs regardless:

If the player chooses to be Supportive: You're gonna be fine.

Matt: Emily... you're upset, you need to calm down, you're gonna be fine -

Emily: Ugh, stop talking, I can't take it!

Matt: Stop yelling at me and let me work this out, okay?

If Matt sided with Emily in Chapter 2, or let Emily go "find Sam" if Jess and Emily's fight didn't happen:

Emily: Yeah, you just take all the time you need, not like I'm going anywhere.

If Matt sided with Jess, or didn't let Emily go "find Sam" if Jess and Emily's fight didn't happen:

Emily: No, you stop it! Why do you question every little thing I say?! I'm goddamned sick of it!

If the player chooses to be Sarcastic: Whatever you say.

Matt: Whatever you say, 'princess'.

If the player chooses to be Concerned: Don't move.

Matt: I'm gonna try and get to you and pull you up.

Emily: Now will you please get me off this goddamned tower?! Please please please, Matt! Just do something!

If the player chooses to Save Emily:

Matt: I'm coming...

Matt reaches out for Emily.

Matt: Here... ugh!

If the player chooses to Jump to Safety:

Matt: I'm gonna jump.

If the player chooses to Do Nothing:

Emily: Matt! Can you please just do wha-

The tower shakes and Emily slips.

If the player chose to Save Emily or Do Nothing the first time:

Emily: Shit! Oh, shit! Matt!

Matt: Woah, woah... I don't wanna tip it!

If the player chose to Jump to Safety the first time:

Emily: Uh- Matt- Jesus-

Matt: I'm just trying to find the safest way to get to you...

Emily: You idiot, just get me out of here!

If the player chooses to Save Emily the second time (same scenario happens if Matt chooses to Do Nothing, but starts with Emily falling):

Matt: Oh... come on! Come on!

Emily: Jesus!

Matt and Emily reach for each other's hands, but the tower shakes, causing Emily to fall.

Emily: Argh!!!!

Matt: Emily!

The tower is collapsing further into the mines.

Matt: Oh, fuck...oh, fuck!

Matt jumps to a lower ledge of the mine, momentarily knocking him out, while the tower falls to the bottom of the mines.

Matt wakes up and looks down worriedly.

Matt: Emily---? Oh no... Em... Em... EMILY!!! EMILYYYY!!!

Matt walks further into the cavern, but is grabbed from behind by a shadowy figure and dragged away.

Matt: NO! GET OFF!! GET OFF!! ARGH!!!! LET GO!!! LET GO!!!!

If Matt has the flare gun:

Matt will attempt to shoot the figure with the flare gun with the expense of a QTE.

If Matt executes the QTE:

Matt shoots the flare gun at the figure and is let go.

Matt turns back to look at his attacker, who is already gone.

Matt: Holy crap...

If Matt does not have the flare gun or fails the QTE:

Matt is lifted up in the air by the figure and forcefully impaled on a hook through the jaw. Matt drowns in his blood and his lifeless body is left hanging limp.

If the player chooses to Jump to Safety the second time:

Matt jumps to a higher ledge as Emily and the tower fall to the bottom of the mines.

Emily: Argh!!!!

Matt: Argh! Fu-! Phew!

Matt gets up on the ledge and looks down worriedly.

Matt: Emily!

Chris runs down the stairs to the main floor of the lodge where Ashley is waiting.

Ashley: She wasn't up there?

Chris: I don't know... I didn't see her. She must have come down here.

Ashley: I haven't seen her either.

Ashley; Washington Lodge; 02:03

If Ashley passes a candle, it suddenly lights itself.

Ashley: Ahh! Did that just happen?

Chris: Dammit! What is going on around here?

If Ashley tries to open the kitchen door:

Ashley: Okay...

If Ashley goes up the stairs:

Chris: SAM!!

The pair head down to the first floor.

Ashley: Chris...

Chris: Sa--- What?

Ashley: Chris I just want to say... what happened back there in the shed... I know how hard that was... Josh was your friend...

Chris: Ashley stop...

Ashley: No, I want to say-- I mean thank you-- thank you for saving my life--

If Chris chose to Save Ashley in Chapter 4:

Chris: Ash... what was I gonna do? I... I couldn't let anything happen to you... I couldn't...

If Chris chose to Save Josh in Chapter 4:

Chris: Sure Ash... Sure. I mean... I'd do it again.

Chris and Ashley enter the cinema room.

Chris: Ash, you alright...?

Ashley: Yeah, I just... I know you and Josh were close, Chris--

Chris: Let's just find Sam, okay? That's what we're doing now.

Ashley: I mean, oh my god--

Chris: Ashley, just stop, okay? I don't want to think about what just happened.

Ashley: Chris--

Chris: We're finding Sam.

If Sam had thrown the vase at the Psycho and Ashley picks up a broken piece of it:

Ashley: Look at this. Chris, what happened here?

Chris: I'm no forensics expert, but it looks like it was thrown...

The pair exit the cinema room, the door slamming behind them.

Ashley: What the heck!

Ashley can try to open the door to the guest room.

The door opens slightly but suddenly closes.

Chris: This is so eff-ed up!

If Ashley tries to open the door again.

Ashley: That's really creepy.

The door to the hallway opens by itself, causing Ashley to scream.

Ashley spots a ghost walking at the end of the hallway. Ashley gasps.

Ashley: Wait a minute. Did you see that?

Chris: Uhh... Did I see what?

Ashley: That, Chris. That.

Chris: What "that" was that?

Ashley: It was like... a see through shape. Like a ghost.

Chris: Oh boy.

Ashley: I'm serious. Why don't you believe me!? I said I saw it, doesn't that count for anything?

Chris: We've been through Hell tonight. Okay? Your mind is fried. My mind is fried. I don't even trust what I've been seeing.

If the player chooses to Insist: I saw a ghost!

Ashley: No!! You are wrong. I saw it. And I am sure, Chris!

Chris: Alright alright. Maybe... it's... maybe you did see something...

If the player chooses to Concede: I don't know what I saw.

Ashley: I don't know. I don't know. I just... I saw something... Chris.

Chris: Ash, it's okay. You're just... we're both... kind of out of our heads right now. I mean we just... we gotta pull it together, okay? You with me?

Ashley: Chris...

Chris: Let's just... let's just keep our heads.

Ashley: Are we going crazy down here?

Chris: It's the only place left Sam could be, Ash.

Ashley: I wish we could just go find everybody else, and--

Chris: What if Sam needs us? What if she's in trouble?

Ashley: Oh God...

The door to the basement opens.

Chris: Let's go.

Chris and Ashley enter the basement.

If Ashley goes back to the door after having entered the basement:

Ashley: ...Chris...?

Chris: What...?

Ashley: The door... It's locked...

Chris: What? No!!

Ashley and Chris walk down the stairs to the basement. They are greeted with a loud noise. Then a louder noise with an item flying out of a cabinet.

Chris: WHOA WHOAWHOAWHOA YOU'VE GOT TO BE KIDDING ME!

Ashley: What the HELL is going ON!!

Ashley turns around to see a rocking horse and screams.

Chris: Whoa!

Ashley: Oh my god that scared me!

Chris: You knocked into it right? You knocked into it?

Ashley: I don't- I don't think so... I mean, I don't know!! How did everything get so freaky around here? Doors slamming and candles lighting up out of nowhere and that specter or whatever it was--

Chris: Ashley, I think you're kind of ignoring what's really happening here--

Ashley: Don't tell me you didn't see that translucent white figure just passing right by us?

Chris: We... We could be seeing things--

Ashley: I'm not imagining things!

Chris: Yeah, well I saw things too! I saw what happened to Josh in the shed! You know? And that's what I'm worried about!

Ashley: Oh... Chris... I know... I know...

Chris: You know what I'm really worried about? Okay? I'm worried about Sam! What's happened to her? If there's some maniac out here then she could be dead too!

Ashley: Don't say that! Please, Chris.

If Sam had been caught in the basement:

Ashley can find Sam's bracelet at the foot of the elevator or on the path.

Ashley: Oh no...

Chris: What is it?

Ashley: Sam's bracelet. And she NEVER takes this thing off.

Chris: We gotta find her.

Ashley: Fast.

If Ashley heads through the doorway on the right, then down the hallway and interacts with the door.

Ashley: There's no handle...

Chris: Dead end.

If Ashley interacts with the Dollhouse.

Ashley: Look-look look look, Chris! You can see in the windows.

Chris: See what? Tiny furniture?

Ashley: No, it's a whole scene, with dolls and everything!

Chris: ...yeah...?

Ashley reveals a hidden keyhole.

Chris: Huh. I guess you need a key if you want to play around in there.

Ashley sees the ghost and points.

Ashley: Wait! Chris-Chris-Chris-Chris-Chris!! The ghost!!

Chris spins around.

Chris: What?!

Ashley: Didn't you see it?

Chris: ...no...

Ashley: You were looking at your phone, you dip! What are you tweeting?! Hashtag there's a freaking ghost after us?!

Chris: Ash, calm down, okay. There is no ghost here. Ghost of what? You're freaked out because of what happened with Josh-

Ashley: You're not paying attention. I saw it. I saw a ghost and it looked like Hannah! It looked like Hannah!!

Chris: Wait wait wait WHAT?

Ashley: Or-or maybe Beth.

Chris: Jesus, Ash...What do you think they followed us up here from the seance?

Ashley: I don't know, maybe!

Chris: They didn't! Because ghosts don't exist, okay?

Ashley: Okay, who was talking to us at the seance, Chris?!

Chris: I don't know.

A scream pierces the air and a picture down the hall falls off the wall.

Ashley: What did that?

Chris: How does a picture just jump off the wall like that?

Ashley picks up a key.

Ashley: Huh. Here you go.

Ashley looks down the hall and sees the ghost.

Ashley: Oh my GOD! There-look there, Chris you can't tell me you didn't see that!!

Chris: Wow, that's...

Ashley: See?! You do see it.

Chris: ..that's...I dunno..I-I just...This is fucking crazy...

Chris sprints down the hall.

Ashley: Chris, it's showing us the way!

Ashley begins to put the key in the keyhole back at the dollhouse.

If Ashley had interacted with the dollhouse previously:

Ashley: This is unbelievable. I feel like the ghost wanted me to see this.

Chris: Why?! What!?

If Ashley had not interacted with the dollhouse previously:

Ashley: Look-look look look, Chris! You can see in the windows.

Chris: See what? Tiny furniture?

Ashley: No, it's a whole scene, with dolls and everything!

Chris: ...yeah...?

Ashley: And look, this little key? What'd I tell you? The ghost is helping us!

Ashley opens the dollhouse and the camera shows dolls sitting in the bedroom.

Chris: Whoa, whoa whoa-what is going on here?

Ashley: Oh, God! It's like-

Chris: It's not "like" anything. That's us. Hiding there, waiting for Hannah. Last year.

Ashley: But...It's so accurate, I mean that's exactly where I was sitting... and that's where Matt was...

Chris: This was setup by someone. Who was there.

Ashley: Or someone, or something that was watching us...

Chris: Maybe it's a warning. I think someone... I think someone put this here to mess with us.

Ashley: No, it has to be the ghost, it's trying to tell us the maniac killed Hannah and Beth!

Chris: I think it's this bastard, and he's... he's just trying to fuck with our heads.

Ashley: Why would he set this all up, Chris?

Chris: He's trying to tell us he's going to come after us all too.

The doll's head turns to the side and the eyes open. Chris and Ashley jump back in surprise.

Chris: Yikes!

The top of the dollhouse opens and Ashley picks up a diary that is inside.

Ashley: It's... It's Hannah's diary.

Ashley opens the diary and begins to read.

If the player turns the page to the front of the book:

Ashley: "I really think... Josh is doing better now that he's out of the hospital... I saw him today--" This was... before, a couple months before we all came up...

Ashley continues reading.

Ashley: "I saw him today and he seemed... better... he's pretty upbeat, but... he talked like he's been doing therapy... for such a long time... guess I didn't know, Mom and Dad never let on... Funny how you can not even know your own brother. I kinda need a good cry... thinking about how lonely he must feel..."

When Ashley gets to the last page she starts to read out loud.

Ashley: ..."everyone being together here...on the mountain...is gonna be so awesome...cozy fires and hot tubs...and OMG Mike...I am so psyched to spend some time with him..." I can't read this!! It's so sad, Chris...

Ashley closes the diary and puts it back. Down the hall, a door creaks open.

Ashley: What was that?

Chris: It came from down there.

Ashley opens and enters the door, but is greeted with a jumpscare. Chris runs inside to check out the cause, but the door closes, separating him and Ashley.

Chris: Goddammit!

Ashley: Oh! Chris! Chris!

Ashley bangs the door. Chris opens it from the other side.

Chris: ...Nothing.

Ashley: But you did see it, Chris. For real.

Chris: I saw... something. But where'd it go?

Ashley can find a Lightbulb Catalogue.

Ashley: Hey...Hey, look at this. Doesn't seem as old as some of the stuff down here.

Chris: A catalogue...for industrial lightbulbs...?

Ashley: That is so random.

Ashley turns a page.

Ashley: Look. One of the bulbs is circled.

Chris: That's a powerful bulb.

Ashley will find a pair of scissors underneath the catalogue and can take it.

Ashley: Huh.

Ashley puts the scissors in her pocket.

Ashley can find a Hidden Camera.

Ashley: Uh...Chris? You think it's the guy?

Chris: Well that makes sense.

Ashley: I don't like being watched.

Chris turns the camera around.

Chris: Better?

Ashley: Go suck an egg! Now it's better...

Ashley can find a doll's head.

Ashley: Just when you think it can't get any creepier...

Chris: Ugh. Nightmare fuel.

Ashley grabs the head and turns it, and several cockroaches come out of it. She then drops the head in disgust.

Ashley: Jeez!

The lodge shudders from the shock waves of the fire tower falling.

Ashley: Uhhh? ...What was that? Huh.

Chris finds another room at the end of the basement.

Chris: Wait there's a whole 'nother room through here. It's mammoth.

Ashley: Chris, I don't know if I want to keep going.

Ashley and Chris walk down the stairs and the hall to the Old Hotel.

Ashley: Where in the world are we now?

Chris: Are you kidding me?

Ashley: Did you know this was here?

Chris: This? This is like a whole 'nother hotel. I had no idea this was here.

If Sam had been caught in the old hotel:

Ashley can find Sam's bracelet at the foot of the elevator or on the path.

Ashley: Oh no...

Chris: What is it?

Ashley: Sam's bracelet. And she NEVER takes this thing off.

Chris: We gotta find her.

Ashley: Fast.

Ashley interacts with Chris.

Ashley: I don't think I can take any more of this.

Chris: Yeah I'm about at my limit here too.

Ashley: All I wanted to do was forget last year ever happened...

Chris: To be honest I'm not sure what Hannah thought she was doing.

Ashley: Yeah... well... you know how it is when you're crushing pretty hard on somebody...

Chris: Great, so you're basically saying that we put a vulnerable friend in a terrible situation and essentially caused her to run away and never be heard of again?

If the player chooses to be Dismissive: Hannah overreacted.

Ashley: Yeah... well... it takes two to tango.

Chris: Sorry?

Ashley: I mean, it was embarrassing but, come on - she didn't have to run into the woods, half naked and upset. It's not our fault what happened.

Chris: That's pretty harsh, Ash. She was really upset.

Ashley: I'm just saying maybe she kind of overreacted, you know?

A wood plank falls and hits Chris' head.

Chris: Jesus! What the fuck?!

Ashley: Oh my gosh! Are you okay?

Chris: I hate this place! Let's go.

If the player chooses to be Sympathetic: We made her look stupid.

Ashley: If it was you, don't you think you would have run away? I mean who likes being made fun of?

Chris: People don't make fun of me.

Ashley: To your face.

Chris: What?

Ashley: Chris we made her look so stupid, in front of all of her friends and the guy she liked. I can't imagine doing anything worse to somebody.

Ashley can find Faked Newspapers.

Ashley: Hey. These...are these fake? Why would anyone make fake newspapers?

Chris: That's...a really good question.

The pair reaches a staircase leading lower underground.

Ashley: You know what? No.

Chris: Ash -

Ashley: No! I've had enough! I'm not going down any further into this nightmare, Chris!

Chris: Ashley... I understand, okay? I'm really freaked out too. But if Sam's down there all alone with a maniac... and we leave? We're basically killing her ourselves.

If the player chooses to be Reluctant: I'm really scared.

Ashley: I know... I know... I just... I don't think I can do it!

Chris: Yeah it's not looking good, huh.

Ashley: ...I'm really scared, Chris.

Chris: I'm scared too. But I got your back, okay? As long as you got mine?

Ashley: I do.

Chris: Um...yeah. So, let's get this over with, I guess.

Ashley: Okay.

If the player chooses to be Courageous: Let's find Sam.

Ashley: Goddamnit

Chris: Ashley come on.

Ashley: Why are you always right?

Chris: I'm not always right.

Ashley: Well when you're right...you're right.

Chris: I don't want to be, I want to leave.

Ashley: No. No. We gotta find Sam. Let's go.

Chris and Ashley go down the stairs. Ashley interacts with Chris.

If Ashley did not find the faked newspapers and the camera:

Ashley: Chris... I'm gettin' a really weird feeling from all this...

Chris: What do you mean?

Ashley: It just doesn't add up-

Chris: What doesn't add up?

Ashley: Any of this! The psycho... all this crazy stuff going on down here... I just- I feel like we've missed something... Something that'll make it all connect.

Chris: I know what you mean... but... I mean... who knows what that would be?

Ashley: Yeah... I guess you're right.

If Ashley found the faked newspapers but did not find the camera:

Ashley: Chris... I'm gettin' a really weird feeling from all this...

Chris: What do you mean?

Ashley: I just... I can't shake the feeling that those fake newspapers have something to do with the guy who killed Josh.

Chris: Like what? Like it's a... setup or something?

Ashley: Yeah... but... I mean, how? It's just... it almost makes sense but it just feels like we're missing something...

If Ashley found the faked newspapers and the camera:

Ashley: Chris... I'm gettin' a really weird feeling from all this...

Chris: What do you mean?

Ashley: So we're saying that the same guy who made the newspapers also set up the camera, right?

Chris: Yeah... I think so...

Ashley: It's just... it feels like he's constructing the whole story for us... then watching us run around, freaking out, seeing what we do, like it's... like it's some sort of fucking experiment!

Chris: Yikes that... that's kinda... That actually makes a weird sort of sense...

Ashley: Right?!

Ashley can find Batteries and Timers.

Ashley: Huh.

If Ashley checks this clue again:

Ashley: Check this out, Chris. It all looks fairly intricate.

Chris: Yeah... Batteries, timers... this is some real secret squirrel stuff.

Ashley and Chris head into a room that resembles a kitchen and the door slams behind them. Ashley yelps.

Ashley can walk near the Dead Pig.

Ashley: Oh no, you've got to be kidding me. Repulsive!

Chris: This can't be for eating.

Ashley: Why the hell is it here?

Chris: It's like a goddamn grindhouse movie in here.

Ashley can find Hooks and Chains.

Chris: Oh jeez. This is so enticing.

Ashley: Oh boy... You think all this stuff is ...his?

Chris: Unless the Washingtons were into some freaky shit in their spare time, then yeah...probably.

Ashley can find Photos of Friends.

Ashley: That's us.

Chris: What is this, like a fucking hit list? Christ.

Ashley can open a door to a small room with a projector. Ashley presses a button and the projector turns on.

Chris: Hello?

Ashley: Oh, God... Chris, it's from last year... the stupid prank...

Chris: Uh... This is a little... This is a little uncomfortable, huh?

Ashley: I've never seen this video... She's just so...

Chris: So... what?

Ashley: She's so excited... and alive.

Chris: She has no idea.

Ashley: Oh jeez.

Chris: Whoa. I forgot you were such a willful participant.

If the player chooses to be Apologetic: I couldn't feel worse.

Ashley: This is horrible. I couldn't feel worse.

Chris: You look like you were enjoying yourself.

Ashley: That's the worst part, isn't it? We were just playing a joke. It was supposed to be funny.

Chris: Yeah.

Ashley: I never want to see this video ever again.

If the player chooses to be Unrepentant: It was just a prank.

Ashley: Yeah, well, we all were.

Chris: You look like you were enjoying yourself.

Ashley: I didn't know what was going to happen! It was a dumb prank, Chris, and maybe we shouldn't have done it, but it's not like I personally made her run into the woods!

Chris: Kinda splitting hairs a little...

Ashley: Look, she chose to do that. It's not our fault she did that.

A ghastly face suddenly appears on the screen, screaming.

Ashley: Ahh! Oh Chris-Chris-Chris-Chris!! What is going ON?!

Chris: Ash-Ash, slow down, okay?

Ashley: I can't handle this - ghosts, and these videos, and everything just flying around-

Chris: Calm down, listen to me for a second-

Ashley: What? Calm down? Why should I calm down, Chris? I am freaking out right now!

Chris: This has got to be someone messing with us.

Ashley: What?

Chris: Think about it - ghosts don't hook up video cameras. They don't play games.

Ashley: Then who would set this all up? Seriously. I'm asking.

Chris: I don't know. Maybe the same person who tied you up and killed Josh.

Ashley: Oh... Right.

Chris: The same person who might have Sam, right now.

Ashley: Maybe you're right.

Chris: I wish I wasn't.

Chris and Ashley approach a door smeared with blood.

Chris: Oh crap-look at that.

Ashley: Blood?!

Chris: Might be Sam's. Let me see if I can get this...

Chris begins to try and open the door.

Chris: Ungh...Got it...but...damn this thing is heavy-

Ashley: Be careful!

Chris: You gotta come through...Ash...I can't hold it...Ungh...Come on...

Ashley spots a figure in the room to the right.

Ashley: Oh!! Chris!

Chris: What!

Ashley: I think I just saw Sam over there!

Chris: Ash...Are you SURE?

Ashley: I don't know, but come on. I think we should check it out.

Chris: Well I'm pretty sure whoever's bleeding came through here, okay? So we really got to get moving like now!

If the player chooses to Follow Chris:

Ashley: Okay, yeah, you're right. I'm coming.

Chris: Oh thank god...I thought this thing was gonna crush me...come on.

Ashley can find a box that controls the temperature in the basement.

Ashley: I don't get it... why would anybody want to make this place any cooler? It's freezing!

Chris: God only knows what goes on inside this guy's head, Ash.

If Sam had been caught by the Psycho:

Chris and Ashley will find a dummy in her clothes hanging from a hook.

Ashley: Argh! Wait, those are Sam's...

Chris: Yeah...that's...those are Sam's clothes. That's just...

Ashley: Sick. I'd say that's just sick.

Chris: So the Psycho has been down here. For sure.

Ashley: Do you think he's still down here?

Chris: I hope not.

Ashley: Why...is this thing even here?

Chris: Million dollar question.

If Sam hadn't been caught by the Psycho:

Ashley and Chris continue walking.

If the player chooses to Investigate Movement:

Ashley: I'll catch up to you. Sam!!

Chris: Ash-

Ashley heads into the room where she thought she saw Sam, the door behind her closing suddenly.

Ashley: Chris! CHRIS!!! Help! I'm stuck!

Through a gap of wood planks, Ashley peeks in and sees The Psycho. The Psycho walks up to the planks and reveals Ashley ducking behind the wall. The Psycho walks off. Ashley breathes a sign of relief as she butt scoots away from the gap. She then runs out the room, opens and shuts a door quietly, and quietly walks backwards.

Ashley: Shit shit shit shit shit shit shit...

If Sam had been caught by the Psycho:

Ashley touches a dummy behind her, and reveals Chris to be holding the dummy. Chris drops it.

Ashley: Ahh! CHRIS!

Chris: Hey hey hey - relax -

Ashley: You scared me half to dea-ohmygod.

Chris: Yeah. Right?

Ashley: WHAT is THAT... THING?

Chris: It's a dummy, dummy.

Ashley: But it's... why is it...

Chris: Wearing Sam's clothes? I have no freakin' idea.

Ashley: Where the hell did it come from?

Chris: In the fridge.

Ashley: Yeah, sure, makes sense. Why did you bring it with you?

Chris: I didn't think you'd believe me. And I think it's... You know. Not a good sign.

Ashley: For Sam?

Chris: For any of us. But yeah, mostly for Sam.

If Sam hadn't been caught by the Psycho:

Ashley touches someone behind her and she turns around, only to find out it's Chris.

Ashley: Ahh! CHRIS!

Chris: Hey hey hey - relax -

Ashley: You scared me half to death.

Chris: I wasn't trying to scare you.

Ashley: Sorry to disappoint you!

Chris: Hey, sorry, alright - take it easy.

Ashley: Shhh... we've got bigger problems right now.

Chris: What do you mean?

Ashley: The psycho. Chris. I just saw him.

Chris: What? Where? Where did he go?!

Ashley: I don't know! But we've got to be quiet! He's gotta be... still really close.

Chris: Awesome.

If the player chooses to Do Nothing:

The door Chris is trying to keep open shuts.

Ashley: Chris!

Ashley tries unsuccessfully to open the door.

Ashley: Ugh… ungh… dammit…

Ashley heads into the room where she thought she saw Sam, the door behind her closing suddenly.

Ashley: Chris! CHRIS!!! Help! I'm stuck!

Same scenarios ensue as in the case of choosing to Investigate Movement.

Sam: Please no!

Ashley: Sam?

If Ashley tries to open the locked door to the right of the double doors, down the short hallway.

Ashley: Hm. Dammit.

Ashley and Chris enter double doors.

Ashley: Oh, Chris. Oh no.

Chris: Hello?

Ashley: Sam?

If Sam was caught by the Psycho:

Ashley turns the chair to reveal Sam in her towel, knocked out.

Ashley: Sam!! Chris, is she dead? Holy shit, holy shit-

Chris: Shit. She's not - she's not dead.

Ashley: How do you know?

Chris: She's still breathing.

Ashley: What the hell is wrong?

Chris: I think she's been knocked out.

Ashley: Ohh. Oh no no no no no. This is bad, this is bad!! We've got to get her out of here!

If Sam was not caught by the Psycho:

Ashley turns the chair to reveal a dummy in Sam's clothes.

Ashley: Sam!! I don't... I don't get it.

Chris: Shit. It's a dummy.

Ashley: Yeah- no, I can see that,

Chris: Why is it dressed up like Sam?

Ashley: I don't know!

Chris: Why would someone dress up a dummy like Sam?

Ashley: Chris I don't know and I'm kinda freaking out!

Chris: Where the hell is Sam?

Ashley: This is crazy, this is crazy!

The Psycho grabs Chris by the head and knocks him out with gas.

Ashley: CHRIS! OH SHIT!!

Ashley trips and gets back up to the sight of the Psycho approaching her.

If Ashley has the scissors:

Ashley: AHHH NO! GET BACK! Stay the hell away from me!

If Ashley hits the QTE:

Ashley stabs the Psycho on the shoulder with the scissors.

Psycho: Oh, no nono, live and learn!

Ashley: What?

The Psycho punches Ashley and knocks her out.

Psycho: Live and learn.

If Ashley fails the QTE:

Ashley attempts to stab the Psycho, but the Psycho knocks the scissors out of her hand.

Ashley: Nooooo!

Psycho: Good effort!

The Psycho knocks Ashley out with gas.

Psycho: Really good effort!

If Ashley does not have the scissors:

Ashley: Argh!! No! Get off!!

The Psycho knocks Ashley out with gas.

Chris and Ashley are tied in chairs across each other at a table.

Chris: Oh... Shit... oh crap... Ash? ASH!!

Ashley: Ah... wha? Ah...

If Ashley stabbed the Psycho:

Chris: Aw, Jesus, Ash! What did he do to you?

Ashley has a black eye.

Ashley: I think... he hit me...

Chris: Shit. I'm gonna murder his fucking face off.

Ashley: What is this?...

Chris: This is him. This is the guy who killed Josh...

Ashley: No, Chris... Oh, my God, no! Oh, God... Chris!

Chris: You murdering piece of shit! You monster!

Ashley: Look around!! We're gonna die, Chris! I don't think I'm ready to die...

Chris: No one is going to die.

Ashley: I wish I could tell you... it's just not fair!

Chris: What? Tell me what?

Ashley: It's too late! Chris, what's the point?!

Chris: Stop it, just say...

Ashley: We're always talking around it, and now, I mean, we've wasted everything!

Chris: Ashley, none of it was wasted.

Ashley: What do you mean?

Chris: Every second that I spent with you was the only thing I ever wanted to do with my time.

Ashley: What are you saying, Chris?

Chris: I'm sorry... I should have told you how I felt.

Ashley: Chris...!

Chris: Ashley, I swear, when we get out of this--

A saw above them functions and starts slowly moving down on them.

Chris: Oh, God!

Ashley: Aah! No! Help, Chris!

Chris: Ashley, I'll get you out of this! I won't let you die!

Ashley screams and cries.

Psycho: Hello there, my special little subjects.

Chris: Aw, shit.

Ashley: I'm so scared, Chris-

Chris: Don't be scared-

Psycho: Oh, you should be, Ash, because here's the twist: Chris has made one fatal choice already today...

Ashley: Oh, no... no...

Psycho: ...and now he must make another. Chris... you can take that gun in front of you and shoot Ashley, or you can shoot yourself. Whoever is left, can live! The choice is yours.

Chris attempts to shoot the saw above, but inflicts no damage. The Psycho chuckles.

Only in the original game:

Psycho: Don't be so silly, Chris.

Chris; Old Hotel; 03:11

Ashley: Oh... Oh, God! Uh-ho...

If Chris initially aims at Ashley:

Ashley: Oh, my God, no! No, no, Chris! Chris! Chris! Stop! No! No, God, no!

If Chris takes time to decide who to shoot:

Ashley: Chris! Oh, my God, oh, no! Chris! No... no! No! Oh, my God, oh, my God! Stop!

If Chris initially aims at himself:

Ashley: Wait, stop. You can't do it, Chris, it should be me. You chose to save me before... Let me choose this time, let me choose to save you.

Chris: Oh, fuck!

Ashley: If I do one last thing in my life, let me do this! Chris, please. Oh, God...

If Chris takes time to decide who to shoot:

Ashley: No!

Only in the remake:

Ashley: I'm scared, Chris...

Ashley: (sobbing) Oh… Oh, God!

If Chris shoots either himself or Ashley:

A gunshot will be heard, and the screen will cut to black.

If Chris does nothing:

The saw gets awfully close to Ashley.

Ashley: NOOO!

Ashley screams as the screen cuts to black.
